TRUST SERVICES FOR YOUR CLIENTS
AS CLOSE AS YOUR OFFICE

Your estate planning clients do not have to go to Terre Haute or St. Louis or an 800 number to find a professional trustee. They can find these services right in your own office.

Join us for drinks, hors d'ouvres and a brief program where we will discuss:

- When does your client need a professional trustee
- What choices are available
- How does it really work with ATG Trust Company
- Why ATG Trust Company is your trustee
- How ATG Trust Company can enhance your estate planning practice
- How do you talk with your clients about ATG Trust Company
- The range of services offered by ATG Trust Company

There will be plenty of time for questions and answers.

WHEN: Thursday, September 17, 2009, 5:00 p.m. to 7:00 p.m.
